Introducing Class 4 Hail Rated Colors

We are pleased to announce the addition of six new colors to our Class 4 Hail Rated tile offering in our Rocky Mountain and Heartland Regions. This expanded offering includes two Barcelona and four Saxony® Country Slate Impact colors.

OUR TILES WILL FIT YOUR STYLE:

CONTEMPORARY

Characterized by a preference for clean lines, open concepts, decoration, ample light sources, large windows, and lack of round forms.

TRANSITIONAL

Prefers the clean lines of contemporary architecture, but draws heavily on details and styles from traditional architecture.

TRADITIONAL

American adaptations of regional home styles from other time periods or areas of the world. Often mixed references.

HAIL TESTING

In the Class 4 hail test, 2 inch ice balls are shot at 104 feet per second (approx. 70 mph), to develop the intended kinetic energy. This test is the most rigorous test using the largest ice balls, impacting the product specimen 4-6 times.
