

UnifiedSTEEL®

STONE COATED ROOFING

PROTECT YOUR HOME AGAINST FUTURE HURRICANE DAMAGE

We know protecting your family and home with a quality roof is a top priority. Unified Steel® Stone Coated Roofing products are proven to provide superior performance* in extreme weather, giving you peace of mind when the weather takes a turn for the worse.

UPGRADE FOR PEACE OF MIND

Upgrade to roofing that can withstand up to Category 5* hurricane-force winds and above, and rest assured you're prepared for extreme weather.

PROTECT YOURSELF—CHOOSE QUALIFIED INSTALLERS

Rebuilding after a hurricane requires so many choices, it's easy to feel overwhelmed. Ensure you're making the right ones by selecting a licensed Florida contractor to rebuild your home.

Call us today, we can offer guidance and point you in the right direction: 800.658.8004

*When installed to meet building code requirements and Westlake installation instructions.

Westlake Royal Roofing Solutions™ has proudly served the Florida market for over 65 years with products that provide unsurpassed durability and energy efficiency.

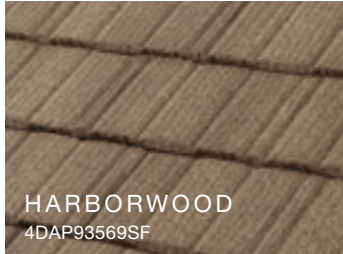

PINE-CREST Shake

Engineered to replicate hand-split wood shake with the durability of steel.

Unified Steel® stone coated roofing offers **five distinct profiles** that will enhance the curb appeal and value of any home while **providing durability, performance, and protection** that will last.

PROVEN DURABILITY

Unified Steel® long-lasting, lightweight roofing provides great value compared to life cycle costs of asphalt shingles.*

ENERGY EFFICIENT

When installed direct-to-deck, on battens or with Elevated Batten System® (EBS), Unified Steel® can help provide energy savings due to the use of Above Sheathing Ventilation (ASV).**

50-YEAR LIMITED WARRANTY

Unified Steel® offers one of the most comprehensive, fully transferable roofing warranties in the business today. Coverage includes 120 mph Wind and Class 4 Hail protection.***

FIRE, HAIL, AND WIND TESTED

All of our panels have systems that meet the highest standards for ASTM Class A Fire Rating, UL 2218 Class 4 Impact, FM 4473 Very Severe Hail (VSH) performance, and Florida wind requirements for the High Velocity Hurricane Zone (HVHZ).

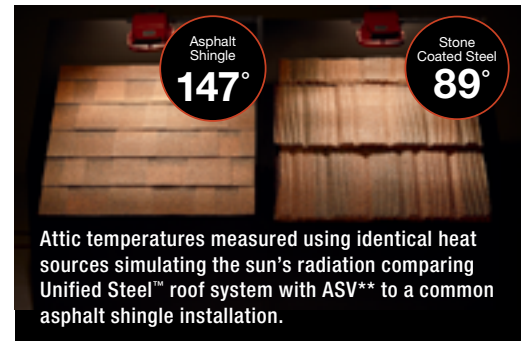

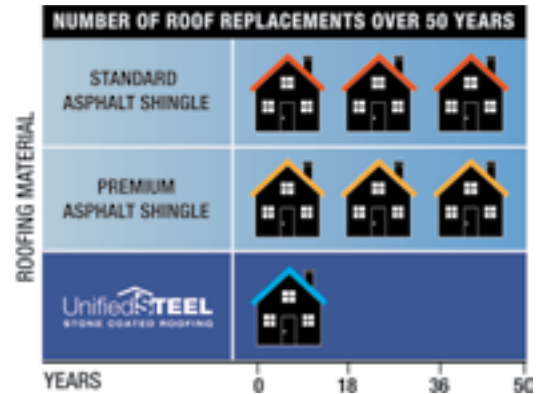

INSURANCE DISCOUNTS - ENERGY REBATES

Through the classifications achieved against Fire, Hail, and Wind, the Unified Steel® product may help reduce insurance premiums or attain performance rebates, such as Cool Roof Colors. Consult your insurance carrier, roofing contractor, and/or energy provider for availability.

WIDE RANGE OF COLORS

Unified Steel is offered in a variety of profiles and colors to suit any architectural style. Check with your local contractor or Westlake Royal Roofing Service Center to confirm availability of colors and profiles in your area.

* Reroof based on average lifespan of asphalt shingle roofing at 18.1 years. Source: 3M Economic Forecast for the Asphalt Shingle Industry 2017- F.W. Dodge-Pre-2003, NAHB-Post-2003.

** Above Sheathing Ventilation (ASV) can be achieved when installing Unified Steel PINE-CREST Shake, PACIFIC Tile, BARREL-VAULT Tile or COTTAGE Shingle panels direct-to-deck or on battens.
